## DEPLOYMENT KITS

Reduce man hours, cost and waste with turn-key ready deployment kits from GCS. Base line kits are matched to operational expectations and carry standardized items for ease of interoperability once deployed with other teams. Kits can be tailored to your mission set/needs and sourced appropriately on several different contract paths. No more multiple drop shipments from multiple manufacturers; receiving and invoicing is as simple as a single line item; Kits are packaged at our Deployment Readiness Division to arrive at your facility complete with packing instructions. Contact GCS today for a complete kit listing.
