

Top Dawg gear was developed in partnership with Military Working Dog (MWD) professional handlers. Until now, government K-9 handlers had minimal professional gear vendors to choose from. Top Dawg equipment gives the professional handler the ability to purchase high quality gear while offering innovative design improvements.

SIMULANTS

Simulant training aids are a vital part of MWD training in fighting today's war on terror. GCS, along with ScentLogix, brings you the most comprehensive range of scent kits in the industry. The kits are made of high quality research grade odor protection with zero adulterant odors. These scent kits have been proven to have cutting edge productivity both within CONUS and OCONUS operational theatres.

HANDLER GEAR

GCS offers a full line of professional handler equipment. From tactical lights to pouches to gear bags, GCS is equipped to meet all your MWD handler requirements. GCS is the services "go to" vendor for large K-9 equipment orders and large specialized military working dog (MWD) gear contracts.

GCS offers several options for care, grooming and first aid products. From brushes and combs to the Furminator®, we offer a complete range of grooming products. We have feed pans, water bowls and our own collapsible dog bowl. We also carry items for the comfort of your MWD, including Doggles®, Muttluks®, and Cooling vest. Your dog takes care of you in the field so be sure to take care of them with quality first aid products.
