“First In Logistics”

Garrett Container Systems, Inc. (GCS) is an ISO 9000-2001 and HUB-Zone certified small business, located in rural western Maryland. GCS was established in 1992 as a manufacturer of aluminum shipping and storage containers. In 2003, GCS expanded its core competencies when it became a system integrator of tactical and deployment kits and a full line distributor of numerous top brands of tactical and support equipment. In 2007, we expanded again to include an organic tactical nylon equipment capability. In 2009, GCS added a new line of military working dog gear.
