GEN3 H-Gear

Part#: AF HGEAR XS, S, M, L, XL

Proper Fit Front View

Proper Fit Rear View

Based on customer feedback and user inputs the following improvements have been made to create the GEN3 HGear:

- Five sizes allowing for better fit
- Neck yoke changed for added comfort
- Users now pull down front straps to adjust height
- Seam eliminated between shoulder straps and neck yoke with improved padding
- Triglides added to allow lock in
- Sewn in Velcro keepers added at all adjustment points to limit loose straps

Velcro keepers have been added to allow excess strap material to be rolled and secured.

Triglides (located on the front and back) allow the user to adjust the height setting to their preferences and lock those settings in place.

Padded shoulders and no seam provided added comfort.
