GCS Military Working Dog (MWD) Pouch Kit

GCS MWD Pouch Kit consists of one (1) Patrol Med pouch with drop leg adapter, two (2) 2-quart canteen pouches and two (2) 5"x3"x5" utility pouches. This kit is designed to attach to H-Gear harness. This is typically issued to MWD handlers as part of the Air Force Security Forces Defensor Fortis Load Carriage System (DF-LCS). The patrol med pouch is attached to a drop leg holster with Velcro fasteners. This pouch has a zipper closure device and it also has an exterior zippered pocket. The interior of the pouch has a zippered pocket as well as an open pocket for storage and separated storage slots. The 2-quart canteen pouches are designed to hold a standard military 2-quart canteen or they can be used for general purpose storage. The pouch has a plastic snap fastener.

Specifications

Materials & Parts meet the following specifications:
