GCS M-240 Gunner Kit

GCS M-240 Gunner Kit consists of four (4) 100 round pouches and one (1) 9"x3"x5" utility pouch. This kit is designed to attach to H-Gear harness. This is typically issued to M-240 Gunners as part of the Air Force Security Forces Defensor Fortis Load Carriage System (DF-LCS). The M-240 pouch has a single top access flap that is held in place using an adjustable strap and plastic clip. This pouch also has an inner removable flap to convert the pouch to a "dump pouch". The inside of the pouch has an ammunition divider which uses an adjustable partition. The M-240 pouch also has webbing on the outside for additional attachment options.
