Designed as the **ultimate protective eyewear**, the Desert Locust Goggle builds upon Revision Eyewear's unmatched ability to protect soldier's eyes. The Desert Locust combines the best ballistic protection with a perfect facial and helmet fit, balancing the soldier's need for comfort with well-sealed eye protection. The high performance OcuMax™ coating prevents fogging and scratching to ensure clear vision while the optically correct goggle lens is engineered to maximize field-of-view and provide unprecedented visual clarity.

THE DESERT LOCUST GOGGLE SYSTEM

- HIGH-IMPACT PROTECTION One-piece, optical grade polycarbonate lens shields eyes from unexpected fragments
- CLEAR VISION High performance OcuMax™ coating protects against fogging and scratching. Top & lateral forced air vents provide constant airflow. Filtration media prevents small particle entry
- FIELD-OF-VIEW Widest field-of-view to enhance war fighting capabilities
- DURABILITY Superior anti-scratch hard coating; designed for use in extreme climatic conditions. Resists a wide variety of chemicals
- COMFORT & FIT Lightweight and comfortable, the Desert Locust is ideal for both tactical operations and extended-use missions. Pliable frame material and strapping system seals the face while maximizing facial comfort
- COMPATIBILITY Low profile design ensures compatibility with helmet, binoculars and night vision systems
- ADJUSTABILITY Adjustable strapping system fits over the helmet, or on head, under hat
- LENSES 100% protection from harmful UV-A, UV-B and UV-C rays. Optically correct lenses can be interchanged quickly for various light conditions
- PRESCRIPTION READY Optional Rx insert is also compatible with Revision Sawfly® Spectacles. Revision offers Rx Carrier fulfillment services. See www.revisioneyewear.com for details
- APEL U.S. Army Authorized Protective Eyewear List:
Foliage Green: NSN 4240-01-547-6218 Black: NSN 4240-01-547-6227
